

January 15, 2019

PRESIDENTS MESSAGE

As we embark on our Journey into 2019, I wish everyone a Healthy and Happy New Year. As I assume the leadership role as President of the Armed Forces Heritage Museum, I want to acknowledge the outstanding performance which Bob Vonbargen provided over the past several years. His leadership has propelled us into the future as we experienced our most productive year in our rich history. Several accomplishments and critical information will be delineated further in this initial newsletter. Obviously, he needed the support of our officers and Board of Directors and I was proud to be a member of that group.

One of the top priorities for 2019 is to improve communications with our membership through a periodic Newsletter and significant event communication. The Membership Chair is in the process of validating our list and once that is completed, we will email or mail the information to all our members. As we move forward this year, we have several opportunities which will enhance our efforts to carry out our Mission to Honor, Preserve and Educate the public on the history and accomplishment of our Veterans and members in the Military. Our monthly meetings are conducted on the third Friday of each month and conducted at the Deerwood Country Club, 845 Woodlane Road, Westhampton, New Jersey, 08060 starting at 10 AM followed by lunch with a guest speaker.

As we move forward and encounter new opportunities the need for additional resources becomes paramount. We will be reaching out to the membership to become more active by participating in our scheduled activities. We realize everyone is busy but perhaps you can find time to volunteer and support a specific function or activity. The Multi Media Mobile Museum (Mini Mo) has been a tremendous success and has resulted in a significant number of requests for this year. With that in mind we will need additional help to meet all the request we are receiving. So please consider participating when we reach out to you. I encourage everyone to visit the web site (afhmus.org) which has a link to our Face Book page.

Sincerely,

Robert S. Dutko, Sr.

President
