

Vice Presidents report

March 2022

I had the fortune Friday the 11th to be sworn in as the Honorary Commander of the 108th Air Mobility Wing, Mission Support Group at McGuire AFB. This promises to be a very interesting year coming up for me. During this time as requested by the Commander I hope I will be able to have a positive influence on some of the Personnel in the unit. I will also be inviting our Commander to attend some of the AFHM events and possibly interest some of those members to join or support the AFHM. It promises to be an interesting time coming up.

The Mobile Museum schedule is starting to shape up for this year. I will continue working with Matt Wick in scheduling as he recovers from surgery, so far we have some events on the books including:

April 23 "Woods and Water" fundraiser poker run at the Pemberton American Legion from 1100 to 5PM. There are over 600 people expected based on last years attendance. Many of the attendees will be active or past Military so there will be several other organizations at the event to work with Veterans. Mission BBQ will be on hand to feed the attendees and the Legion Post will provide refreshments.

May 21-22 is the Bordentown Street Fair, we are still working out details on that event.

June 12th is the soft opening of the Lawrence House headquarters and we are planning to bring the Mini-Mo to the event awaiting the permission to park it in the street out in front of the building.

July 1 is the Ewing Township event with fireworks and Family night out.

July 9th is Florence Community Day fireworks and Family night out.

July 19-23 is the Burlington County Farm Fair.

September 17th Hamilton Elks car show.

September 25th Springfield Township Family Day

All these events will require staffing and everyone's cooperation is needed.

If anyone has any event suggestions for the Mobile Museum please reach out to me or Matt Wick.

Thank you and feel free to Email or call with any questions.
